

The Upcoming Construction Projects List shows University of Washington capital projects that are in various phases (planning, design, Bid). All dates are estimated dates only. Please note that the information shown on this document is subject to change. Click on the project title to go to the CPO Project Tracking system for detailed information on that project. Contractors interested in a specific project should call the project manager.

★Note – Bid dates approximately 1 month earlier than the Projected NTP

PM	Project	Phase	★Projected NTP	Duration (Months)	MACC Fcst
John Wetzel 206.685.3856	201725 Ethnic Cultural Center Expansion Project	Design	Jan-10	25	\$8M
