

Praxair Demo Tutorial

The screen capture below highlights the main features of the homepage. The rest of this tutorial explains:

- The features and functionality that are available throughout the site.
- How to successfully find and order products.
- How you can use this site to streamline future orders and who to contact for assistance.

The screenshot shows the Praxair website homepage. At the top, there is a navigation bar with links: Home, Favorites, Quick Order, Advanced Search, Delivery Information, and Contact Us. Below this is a green banner with the Praxair logo on the left and a search box labeled 'Search Keyword or Part #' on the right. The search box has a magnifying glass icon. To the right of the search box is a 'Customer Logo' link. Below the banner is a horizontal menu with three main categories: 'Welding Equipment & Supplies', 'Industrial Gases', and 'Specialty Gases & Equipment'. To the right of these categories is a shopping cart icon and text: 'Cart: 0 item(s) subtotal: \$0.00'. Below the menu is a 'Home' link with a house icon. The main content area contains a paragraph: 'Praxair is the contract supplier for compressed and liquefied gases. Praxair offers a wide range of products that includes:'. Below this paragraph is a list of products: '- Pure Gases: Industrial, Medical & Specialty grade gases in cylinders and liquid dewars', '- Mixed Gases: Industrial, Medical & Specialty grade multi-component mixes', '- Regulators: Industrial, Medical & and High-purity for Specialty Gas applications', '- Gas Delivery Equipment: High-purity Cylinder Manifolds, Gas Delivery Panels', '- Cryogenic Storage: Chart MVE and Taylor-Wharton cryo-freezers and accessories', '- Gas Generators: For Hydrogen, Air and Nitrogen service', '- Safety Equipment: Gas Handling safety supplies and Personal Protective Gear', and '- Gas Containment and Control: Cabinets and Panels for Toxic and Corrosive Gases'. Below the list is a paragraph: 'For general inquiries, price quotes or special requests, please email us at specialtygases@praxair.com'. At the bottom left is a logo consisting of four colored squares (red, yellow, blue, white) arranged in a diamond shape, followed by the text 'Search our MSDS Database'.

Home

Praxair is the contract supplier for compressed and liquefied gases. Praxair offers a wide range of products that includes:

- Pure Gases: Industrial, Medical & Specialty grade gases in cylinders and liquid dewars
- Mixed Gases: Industrial, Medical & Specialty grade multi-component mixes
- Regulators: Industrial, Medical & and High-purity for Specialty Gas applications
- Gas Delivery Equipment: High-purity Cylinder Manifolds, Gas Delivery Panels
- Cryogenic Storage: Chart MVE and Taylor-Wharton cryo-freezers and accessories
- Gas Generators: For Hydrogen, Air and Nitrogen service
- Safety Equipment: Gas Handling safety supplies and Personal Protective Gear
- Gas Containment and Control: Cabinets and Panels for Toxic and Corrosive Gases

For general inquiries, price quotes or special requests, please email us at specialtygases@praxair.com.
